

**REMARKS**

Applicant has submitted this preliminary amendment to attend to minor informalities in the specification. As such, Applicant respectfully submits that the drawing inconsistency with the specification, as identified in the "Notice of Drawing Inconsistency with the Specification" sent by the PTO on 06/28/2007, has been corrected.

Accordingly, Applicant respectfully requests that a Notice of Allowability be issued forthwith.

Respectfully Submitted,

Dated: 7-19-2007
